Print Name Signature

§ 194-3: Campaign signs restrictions: prohibited signs. (Amended Ordinance No. 92-2)

A. Campaign signs restrictions.
   1. No campaign sign shall be erected, constructed or maintained on public property.
   2. No campaign signs shall be erected, constructed or maintained on private property without the consent of the owner thereof or without an application under this Chapter having been filed.
   3. No campaign sign shall be posted on fire hydrants, telephone booths or poles, public utility poles or similar public fixtures, fences or trees.
   4. No campaign sign shall be erected, constructed or maintained earlier than eight weeks before any election, nor shall any such sign remain longer than one week after such election.
   5. No campaign sign in excess of 32 square feet shall be permitted. Large signs, constituting signs having more than three square feet to 32 square feet shall be permitted, provided, however that no more than six such large signs shall be permitted throughout the Township for any particular position on an issue, candidate or slate of candidates. Small signs, consisting of sings of three-square feet or less, shall be unlimited in number. No more than one large sign, large or small, shall be erected, constructed or maintained on any parcel of private property constituting a tax lot on the Township Tax Assessment Map.

Your copy of the completed application and proof of submission to the Building Department is your permit. No documents will be issued by the Building Department in response to this application unless the application is deemed incomplete. Please note that the individual as appears on this application shall be responsible
