SPECIAL NEEDS RECREATION PROGRAM

2012-2013

Answering the needs of special children through organized recreation programs!

Dear Friend,

The Borough of Westwood and the Township of Washington Recreation Departments have formed a joint venture to create a new year-round program for children with special needs. Our goal is to provide positive recreational and social experiences for all of our participants. It is available to any child between the ages of 3 and 21 who has a physical or learning disability.

As you read through this brochure, you will appreciate the attention and the affection that goes into the creation of this program. Our staff and volunteers are dedicated to making this a fun and rewarding program to meet the varied interests of our young residents.

Sincerely,

Gary Buchheister Judy Monocky
