The goal of our Camp is to help future Cardinals improve their football skills for the upcoming 2016 football season, while introducing them to essential techniques and fundamentals to help them progress as football players. We also take this time to introduce the future of our program (the campers) to our high school coaching staff, and explain to them what it means to be a Cardinals football player, the pride and passion we have for our community, school and teammates. We eagerly anticipate working with the future players of our program and upholding one of the strongest winning traditions in Bergen County Football here at Westwood Regional High School. I look forward to seeing all our future Cardinals at camp on JULY 11th. We are going to have a great week once again!!!
