## Message from your Mayor and Council

Your governing body had a productive 2018. The Council and I reviewed and implemented many current and future projects, while keeping your tax rate as low as possible. With your support, we look forward to continuing that work in 2019. If anyone has a concern that they would like addressed, please reach out to me, or a Council Member, or Administrator Tovo. We are here to address the needs of the community and to serve you.

If you can find the time, please consider dedicating some to our many organizations in Town. Recreation, Public Affairs, Fire Department, Ambulance Corps, Green Team, Health, Planning, Zoning, Municipal Alliance, and our Golden Seniors. It's a great way to meet and interact with people in the community, and help make the Township the wonderful place we all chose to call home!

Sending you all the best for a

***Happy, Healthy, and Peaceful 2019!***

Mayor Peter Calamari

Council President Michael DeSena

Council Vice President Steven Cascio

Councilman Robert Bruno

Councilman Arthur Cumming

Councilman Michael Ullman

## 2020 PET LICENSING (ANNUAL LICENSE)

Letters are mailed by December 31 to current pet owners on record for renewal by January 31 to avoid any late fees. If you no longer own your pet or have acquired a new one, kindly advise the Clerk's office.

Pursuant to N.J.A.C. 8:23A-4.2, to issue a dog license, the pet owner must first supply to the dog licensing clerk a rabies vaccination certificate signed by a licensed veterinarian indicating that the **animal's duration of immunity extends throughout at least the first ten months of the twelve-month licensing period.**

Animals that have duration of immunity which expires prior to the ten-month cut-off must receive a booster rabies vaccination prior to licensure. Dogs six (6) months of age may receive their first rabies shot, a one year vaccine, please consult your vet. Boostering the animal's immunity before expiration of the previous vaccination has not been associated with an increased occurrence of adverse reactions.

In 2019, we continue to offer a number of special events for all members of the community. The Library is handicapped accessible and welcomes residents of all abilities to library programs.

Thanks to the Bergen County Historical Society, the library received a grant to digitize some of our Local History Room materials so that residents can search our collection from home. Named after resident and local historian Cheryl Todd, our Local History Room contains decades of information on the Township of Washington and its families.

The Friends of the Library were formed in 1969 with the purpose to maintain an association of persons interested in libraries; to focus public attention on the library; to stimulate the use of the library's resources and services...and to support the freedom to read as expressed in the American Library Association Bill of Rights. The Friends of the Library hold a number of fundraisers throughout the year to achieve this goal and assist the library by providing funding for programs and supplies. They meet several times a year, so keep your eye on the library website, or call the library to get the date and time of their next meeting.
