Section 1. The improvement described in Section 3 of this bond ordinance is hereby authorized as a general improvement to be made or acquired by The Township of Washington, in the County of Bergen, New Jersey. For the said improvement or purpose stated in said Section 3, there is hereby appropriated the sum of \$6,000,000, said sum, except for the sum of approximately \$550,000 available therefor pursuant to other appropriations of the Township, being inclusive of all appropriations heretofore made therefor and including the sum of \$286,000 as the down payment for said improvement or purpose required by law and now available therefor by virtue of provision in a previously adopted budget or budgets of the Township for down payment or for capital improvement purposes.

Section 2. For the financing of said improvement or purpose and to meet the part of said \$6,000,000 appropriation not provided for by application hereunder of said down payment, negotiable bonds of the Township are hereby authorized to be issued in the principal

amount of \$5,714,000 pursuant to the Local Bond Law of New Jersey. In anticipation of the issuance of said bonds and to temporarily finance said improvement or purpose, negotiable notes of the Township in a principal amount not exceeding \$5,714,000 are hereby authorized to be issued pursuant to and within the limitations prescribed by said Local Bond Law.

Section 3. (a) The improvement hereby authorized and purpose for the financing of which said obligations are to be issued is the construction of a new fire and emergency services facility in and by the Township on lands owned by the Township and located at 656 Washington Avenue, said building being of not less than Class B construction (as such term is defined or referred to in Section 40A:2-22 of said Local Bond Law), including installation of telephone, computer, electrical, heating, ventilation and air conditioning systems, and improvement of the site thereof, together with all water, gas, electric and storm water management facilities and structures, sidewalks, driveways, curbing, parking facilities, lighting, paving, landscaping, structures, fixtures, furnishings, equipment, work and materials necessary, useful or convenient for said facility, all as shown on and in accordance with the plans and specifications therefor prepared and filed or to be prepared and filed in the office of the Township Clerk, subject to such variation, modification, addition or alteration as may from time to time be approved by the Township Council of the Township as necessary or desirable in connection with the construction of said facility.

(b) The estimated maximum amount of bonds or notes to be issued for said purpose is \$5,714,000.

(c) The estimated cost of said purpose is \$6,000,000, the excess thereof over the said estimated maximum amount of bonds or notes to be issued therefor being the amount of

the said \$286,000 down payment for said purpose, said estimated cost being exclusive of the sum of approximately \$550,000 available therefor pursuant to other appropriations of the Township.

Section 4. The following additional matters are hereby determined, declared, recited and stated:

(a) The said purpose described in Section 3 of this bond ordinance is not a current expense and is a property or improvement which the Township may lawfully acquire or make as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefitted thereby.

(b) The period of usefulness of said purpose within the limitations of said Local Bond Law, according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is thirty (30) years.

(c) The supplemental debt statement required by said Local Bond Law has been duly made and filed in the office of the Township Clerk and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and such statement shows that the gross debt of the Township as defined in said Local Bond Law is increased by the authorization of the bonds and notes provided for in this bond ordinance by \$5,714,000, and the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by said Local Bond Law.

(d) An aggregate amount not exceeding \$750,000 for interest on said obligations, costs of issuing said obligations and other items of expense listed in and permitted under section 40A:2-20 of said Local Bond Law may be included as part of the cost of said improvement and is included in the foregoing estimate thereof.

Section 5. Any funds from time to time received by the Township as a grant for the improvement or purpose described in Section 3 of this bond ordinance shall be used for financing such improvement or purpose by application thereof either to direct payment of the cost of said improvement or purpose, or to payment or reduction of the authorization of the obligations of the Township authorized by this bond ordinance. Any such funds so received may, and all such funds so received which are not required for direct payment of such costs shall, be held and applied by the Township as funds applicable only to the payment of obligations of the Township authorized by this bond ordinance.

Section 6. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the chief financial officer, acting chief financial officer or treasurer of the Township (the "Chief Financial Officer"), provided that no note shall mature later than one year from its date.
