Re: Intersection Improvement and Signalization at
Pascack Road and Washington Avenue
FHR: #712-19
File No. 2019-0289

Dear Mayor and Council:

This letter is in reference to the Intersection Improvement and Signalization at Pascack Road and Washington Avenue project, which is the subject of the Shared Services Agreement between County of Bergen and Township of Washington dated as of July 2, 2019.

It is the County's understanding that the Township has acquired through negotiation or condemnation easements with respect to the various properties which are required for this project. The completion of easement documents to the satisfaction of County Counsel, and the resolution of Engineering Division comments on the plans and specifications will allow the project to advance to the public bidding phase.

At this time, this letter is confirmation that the County of Bergen expects to proceed with the public bidding process for the project, with construction anticipated to start in Spring 2022.

Sincerely,

A handwritten signature in blue ink that reads "James J. Tedesco, III".
