DISCUSSION

2018 Budget Review

The "Teen Night" program was discussed. Comments were made of perhaps affixing a sticker on the student's school I.D. so a teen can attend the program. Funding of the program will be done, and no teen will be turned away at the door. Practice for the lacrosse program will begin on April 1. The venue of the practices was discussed, along with the frequency. A discussion followed on the lack of a policy of background checks for coaches and volunteer in the recreation program. It was mentioned the possibility of running background checks done through community pass, and should be looked into. The Administrator checked the Township personnel manual, and it lists Police Chief as the keeper of the records.
