COVID-19 VACCINES FOR RESIDENTS UNABLE TO SCHEDULE ON THEIR OWN

Councilwoman Stacey Feeney has been working with Holy Name Hospital's President, Michael Maron to assist Township Residents who meet the state's criteria in expediting the process to obtain a COVID-19 vaccine. Sandra Svorinic, a Township resident, is leading a group of volunteers to help with the vaccine registration and appointment procurement process for those in need of help.

If you are a Township resident who requires assistance and have not yet obtained a COVID-19 vaccine, **please email the Township Covid-19 Taskforce at covid19taskforce@twpofwashington.us or call Sandra Svorinic directly at 201-390-1632.**

Please be prepared to provide the following information:

- Full Legal Name
- Date of Birth
- Health Insurance Info
- Home Address
- Phone number

A Township of Washington Covid-19 Taskforce volunteer will contact you directly to obtain this information. When additional vaccines become available, the volunteers will notify you immediately of your appointment location, date and time.

Please remember to wear a mask and stay a safe distance from others!
